

Sprint 3

Goal: Finish the app and final presentation

User stories:

- As a potential user I need a presentation so that I know about the app
- As a user I need to be able to get around the app
- As a user I want to be able to rate places

Tasks:

- Final Presentation
- Attach search/random functions to buttons
- Make category button go to categories page
- Figure out how to do ratings
- Do that
- Integrate in the final app
- Raspberry pi and SSH access
- Icon implementation in app

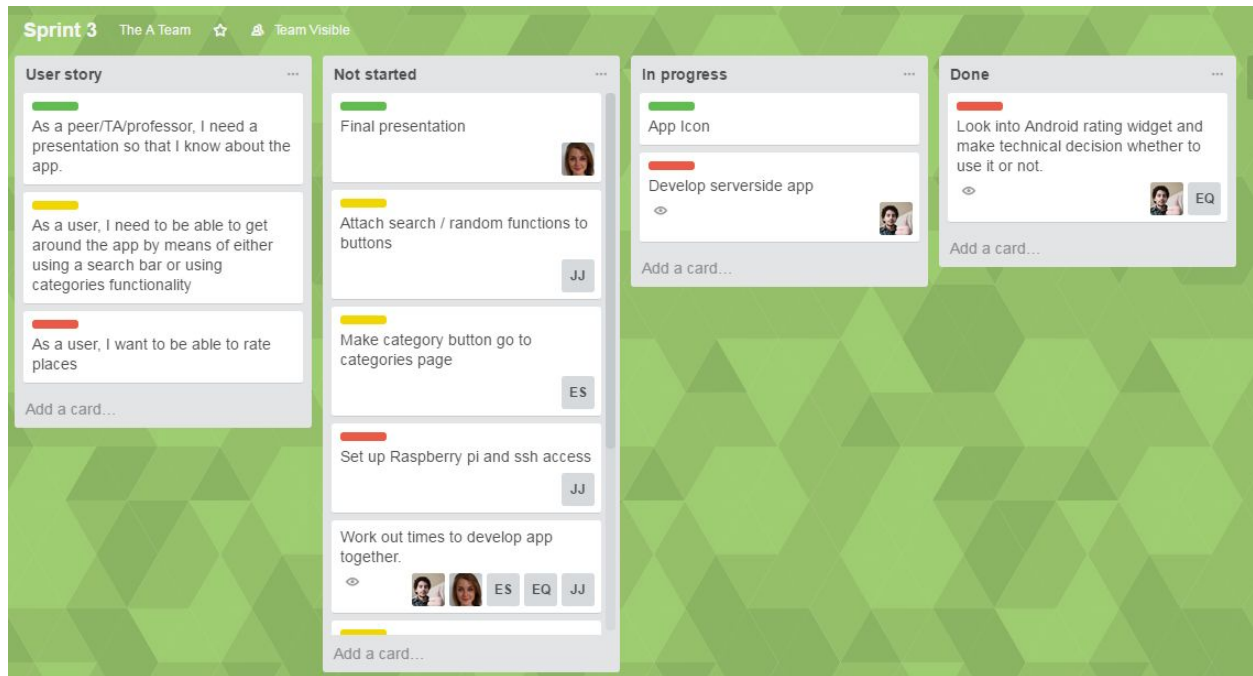

Team roles:

Scrum Master: Esteban

Project Owner: Jared

Developers: Anna, Eric and Abdul

Initial scrum board with tasks in accordance to user stories (color-coded):

*time estimations are indicated in the trello chart as comments

Initial Burn-up:

Story ID	Title	Valid from	Estimate
1	As a peer/TA/professor, I need a presentation so that I know about the app	18 Jul 2016	5
2	As a user, I need to be able to get around the app by means of either using a search bar or using categories functionality	18 Jul 2016	5
3	As a user, I want to be able to rate places	18 Jul 2016	8

Scrum times:

12:00PM Monday
 12:30PM Wednesday
 2:00PM Sundays

Room 316 in Baskin Engineering
